

BILL HAHN

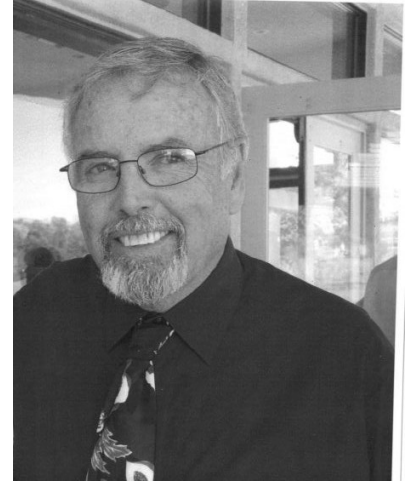

HALL OF FAME

CLASS

OF

2012

Bill Hahn is a life-long resident of Ventura and a decades long fan of Saint Bonaventure High School. He attended St. Catherine's Academy, Anacapa Junior High School, and graduated from Ventura High School where he played football. With his wife, Michele, he is the parent of four & grandparent of ten. Bill was the coach for many of his children's teams and continues to sponsor numerous youth sports programs. His oldest daughter, Chris, attended school outside of Ventura County, but when his daughter, Angelina, entered St. Bonaventure High School, his interest in SBHS sports began as she played soccer, continued as his son, Martin, played football and endures to today. His voice can be heard in any stadium, gym, or field the Saint Bonaventure teams leads him and St. Bonaventure green & gold dominates his closet. His commitment to academics was solidified when his daughter, Camille, was valedictorian of her class. Three of his children graduated from St. Bonaventure; his daughter, Chris, is in bank management, his daughter, Angelina, earned a Bachelor of Science in Nursing, his daughter, Camille, earned a Bachelor of Arts in Journalism & Spanish, and his son, Martin, earned a Bachelor of Arts in Business and an MBA. When visiting Bill Hahn Automotive, his auto repair business for over 45 years, customers are always engaged in conversation about Saint Bonaventure sports and academics. For 20 years, he has supported Saint Bonaventure High School by maintaining school vehicles, advertising in sports programs, and donating his time. Go Seraphs!

Bill is being presented tonight by SBHS Hall of Fame member Sam Benner
